relished by Kansas people. "THIS COMING EMPIRE."

Missouris TAX COLLECTORS.

Since Topeks and Leavenworth jobbers buy in Chicago, New York or Boston, instead of employing Kansas isbor in manufactures, it would be rather a burden on the people to be compelled to deal in Kansas towns exclusively when they can save money not get what they want in Katsas City—Kansas City Times.

The metter is self-adjusting. It might be considered a burthen to the man who is building a home, and it is in one sense, but it was been to the man who is building a home, and it is in one sense, but it was been to the man who is building a home, and it is in one sense, but it was been to the man who is building a home, and it is in one sense, but it was been to considered a burthen to enjoy, after completion. If Kansas people build up cities of their own, they will not only have them to enjoy, but tax as well. Its the Missouri tax collector that presembulates the "avines and climbs the descriptions of Kansas City. Our people know too much of the law of political econ omy to go on building marble business pal

But, since I made the nuptial vow And, hence, assumed the housewi The painted fiction changes now To real flesh, and auburn hair, And eyes, a most bewitching pair— A babe to lift the weight of care.

But though so sweet, so true; yet still,
A film of fetion veiled the whole.
If yet my arms or heart coula fill
Despite my kisses that it stole
And blessings on its little soul,
And, that 'twas mine, in full control.

A reporter of the Eagle visited pork packing establishment of A.
